

**Erratum: “Atomic Weights of the Elements 1999”
[J. Phys. Chem. Ref. Data 30, 701 (2001)]**

T. B. Coplen^{a)}

U.S. Geological Survey, 431 National Center, Reston, Virginia 20192

(Published 28 May 2003)

The value for the standard atomic weight of fluorine in Table 1, on page 703, is incorrectly written as 18.988 4032(5). The correct value for the standard atomic weight of fluorine in Table 1 should be 18.998 4032(5).
